Provided by the Public Health Nursing Division for all adults in Richland County.

## Screening Services Include:

### **Blood Pressure Reading** Cost: FREE

This simple check screens for hypertension (high blood pressure) and hypotension (low blood pressure). \* High blood pressure is a risk factor for cardiovascular disease.

### **Blood Sugar Check** Cost: FREE **(3-hour fast preferred)**

This blood test screens for hyperglycemia (high blood sugar) and hypoglycemia (low blood sugar). One cause of high blood sugar is diabetes. \*

### **Anemia Check** Cost: FREE

With a small fingerstick, two blood tests (hemoglobin and hematocrit) check on red blood cells. Low hemoglobin and/or hematocrit can be a sign of anemia. \*

### **Cholesterol Check** Cost: \$12.00. Cash or check only. **(Requires 9-12-hour fast)**

This blood test measures good cholesterol (HDL), bad cholesterol (LDL), and triglycerides. High cholesterol levels are a risk factor for cardiovascular disease.

### **Education and Referrals** Cost: FREE

Receive information from a Public Health Nurse about various health issues and how to connect with community resources to assist you with your unique health and wellness needs.

**QUESTIONS? CALL THE NURSING DIVISION AT 419-774-4540**

\* This screening is not intended to diagnose any medical condition.

A healthcare provider should confirm any abnormal results.
