

Programs for Pregnant Women and New Moms

Richland Public Health QR

Prenatal Home Visits

Newborn Home Visits

Call today, you may qualify for a **FREE** Cribette
419-774-4540

Cribette>>

Programs are funded by levy dollars and Richland County Youth and Family Council

Benefits of Home Visits

- Visits are offered to all families despite income or socioeconomic status.
- Prenatal visits are offered in the third trimester.
- A Public Health Nurse can do a FREE newborn visit in the critical first weeks of life.
- **Visits have been shown to decrease infant mortality and morbidity.**
- Referrals, support and answers to your questions are provided in the comfort of your home.

Public Health Nurses encourage positive birth outcomes through education, support, and referrals.
